

HOW IT WORKS

Send us a fun 30-sec cell phone video of yourself and/or your team, along with your donation. Tell us: your company name, why you're proud to support the cause, the amount of your pledge, your challenge to other businesses. We will post your video on the landing page of our celebrity website until another company meets your challenge!

\$2500 and \$1000 challenges will see their active logos placed on our landing page for one year. \$500 and \$250 challenges will see their active logos placed on our Partners page.
