

FRIENDSHIP ART CAMPAIGN

October 15th to December 25th 2022

Art is a powerful tool for positive self-expression and healing and a great way to say you care!

Our objective:

1500 art kits for students in Rapid Lake (QC), Sandy Lake (ON), Horse Lake (AB), Natuashish (NL), Kinngait (NU)

Total project cost: \$75K

It's easier than ever!

1. Purchase an art kit through our online store: www.ilfp.ca
2. (Optional) Mail in your own joyful art creation as a personal expression of friendship, and we will include it with your online order.

If you are purchasing art kits as a group, send in as many art projects as you wish!

Make sure each project includes the artist's first name (only) and a brief description of the project.
